

**NEW CLASS - STARTS IN JULY!**

## **Craft Class: Trash 2 Treasure**

Sharon Sokol will teach a new Upcycle Craft Class each Friday from 10:30 a.m. - 11:30 a.m. Besides being lots of fun, crafting is good for us: it gives us a chance to interact with people, builds our self-esteem, confidence and purpose. Come join us as each week brings a new craft project!

**Week 1 = Zentangle Coaster**

**Week 2 = Pressed Flower Plate**

**Week 3 = Paint a shoe & turn it into a flowerpot**

**Week 4 = Complete any unfinished craft from a previous class**

## HANDBUILDING CERAMIC CLASS IS BACK!

Come play in the clay with Sharon Sokol starting in July on Tuesdays from 10:30 a.m.— 11:30 a.m., but leave clean as a button! Aprons and running water in the sink keep us clean as we enjoy creating things with our hands. Primarily using the slab method (some call it the pancake method), we form bowls, cups, trays, etc. Once dried and fired in the ceramic kiln (oven), then glazed (painted) in creative ways, you will have a unique ceramic piece created by YOU!
