Transportation Option

National Council on Aging (NCOA)

NCOA is partnering with Lyft to provide access to reliable, affordable transportation to older adults who need a ride to get their COVID-19 vaccine. Lyft has provided ride codes with a value of up to \$25 each to travel to and from COVID-19 vaccination appointments for both the first and second doses.

How to use the NCOA-Lyft vaccine ride codes

The Lyft promo codes we're offering can be used for a roundtrip ride for each dose of the COVID vaccine. Each code below covers up to \$50 per round trip (\$25 to the vaccine appointment, and \$25 back home). There are no location restrictions, and the vaccine ride codes are valid through December 31, 2021.

- Dose 1 Code (to and from their appointment): SENIORVAX1
- Dose 2 Code (to and from their appointment): SENIORVAX2
