

My name is Ashley Czernek and I am from your local Vision Center store at 5275 Rangeline Service Road S.

Our goal is to help make eye care and eye-wear affordable for everyone regardless of their circumstances, and especially for individuals that need it but may struggle to afford it.

WE are on a mission to give away 25,000 pairs of glasses to individuals in need across the country by the end of 2021, and we would like to help individuals you serve at *United Way of Southwest Alabama* that are in greatest need.

Do you have individuals/families that could benefit from the FREE offer? There are absolutely no strings attached!

We would like to offer a voucher(s) for you to pass along to someone who could use a little extra help. The recipient will receive a COMPLIMENTARY pair of glasses. To obtain the glasses they will need a current, valid prescription; if they won't have one we will work with them to try to get them one when they contact us.

Please feel free to contact me with any questions or concerns via phone or email.

Thank You
Ashley Czernek

Help us Give Away 25,000 Pairs of Glasses to Those in Need!

At National Vision, we believe that everyone deserves to see their best so that they can live their best. **That is why we are excited to launch a company-wide philanthropy program, *National Vision Cares*. We are on a mission to give away 25,000 pairs of eyeglasses to individuals in need around the country by the end of 2021.**

This is a BIG lift, and we are asking for your help to make it happen. Each of our stores has committed to providing 24 complimentary pairs of eyeglasses for underserved individuals within the community by the end of 2021. And we have chosen your organization to receive special vouchers to pass along to individuals you serve. Each voucher is valid for one (1) complimentary pair of eyeglasses.

We ask that you share these vouchers with those you identify as having the greatest need for assistance in affording eye care.

How do recipients (or the parents/guardians of recipients) redeem the voucher for themselves or their child? It's easy!

- Vouchers will be honored **only** at the Vision Center Brought to you by Walmart store location noted on the voucher.
- The recipient should contact the store ahead of time to let them know that they will be redeeming the *National Vision Cares* voucher, and discuss if they have a current, valid eyeglass prescription. If they do not, the store will work with them to try to facilitate a comprehensive eye exam.
- The store associate may make them aware of safety protocol information they need to know before the visit.
- **PLEASE NOTE:** the recipient must bring the physical *National Vision Cares* voucher with them on their visit to receive the free pair of glasses.

Appointment times can book up quickly, so please encourage the recipient to contact the store as soon as possible.

Thank you for your support,

Your Local Vision Center Team
